

Become a Built Green™ Member

Mission Statement:

Built Green Canada is an industry driven voluntary program that promotes “green” building practices to reduce the impact that building has on the environment. It benefits the home buyer, the community and the environment and is an opportunity for everyone to choose a “green” future.

Benefits of Being a Built Green™ Builder Member:

- *Marketing opportunities for your Built Green™ Homes on the Built Green™ Website;*
- *A competitive advantage in demonstrated excellent building practices through third party certification.*
- *Access to a supply chain network of “green” building suppliers that can offer you better products, services and savings.*

Builder Member Responsibilities:

- Support the objects and purposes of Built Green Canada and avoid any actions that could be judged as harmful to Built Green Canada;
- Comply with the By-laws and Built Green Canada policies;
- Comply with the Standards and Certification Process of Built Green Canada;
- Pay all dues and fees assessed by Built Green Canada;
- Meet all the specific terms of being a Builder Member

Specific Terms of Builder Members:

Is a member of a professional builders’ association, as approved by the Built Green Canada Executive Committee;

Adheres to the member’s professional association code of ethics;

Takes the Built Green Canada Builder Training course and remains current;

Has a minimum of \$2m in liability insurance;

Is a member of a new home warranty program;

Builds a minimum of one (1) Built Green Certified home per calendar year, unless exempted by Board of Directors;

Other specific criteria as may be required for specific regional licensing.

Sponsorship Opportunities

Built Green Canada has a number of sponsorship opportunities available to its members.

Sponsorship Value:

- Increased exposure of your new homes on the

Built Green Canada website;

- Increased exposure in trade show booths.

For more information on becoming a Built Green™ Sponsor see the Built

Green™ Sponsorship brochure contained in this Membership Package.
